**The Mind of God** First Second  
Jesus-the very Name has within it  
miracle working Power, even to this day,  
though nearly two thousand years have  
rolled away since He walked with men.  
Jesus, the Galilean, was a miracle  
worker. Jesus' Life was a miracle. His  
wisdom and teachings were miraculous.  
He made miracles common. His death  
was a miracle. His Resurrection was a  
miracle. His appearances were  
miraculous. His ascension was a  
staggering miracle. But perhaps the

most outstanding miracle of all those  
wonder days was the event of Pentecost.  
From the upper room, went forth men  
and women boldly to testify of Jesus'  
Name, who fifty days before shrank in  
fear from the very names of the High  
Priest and his associates. Peter, the  
trembling, fearful Peter, is now clothed  
with a Power and fearlessness that is  
inexplicable; he goes out and faces the  
Sanhedrin, senate, and High Priesthood  
with a courage that amazes us. A stream  
of miracles flowed from the hands of the  
apostles that upset Judaism and shook  
the Roman government to its  
foundation.

To complicate things further, Kaidu is fairly certain he's stumbled on a formula for the lost weapon of the mysterious founders of the City. . . . But sharing it with the Dao military would be a complete betrayal of his friendship with Rat. Can Kai find the right solution before the Dao find themselves at war?

Miracles are God's will for all Christians, not just a few "special" believers.

However, many Christians believe that's it's not God's will to heal them or bring complete restoration to their lives. In *There's a Miracle in Your Mouth*, E. W.

Kenyon and Don Gossett share how your attitudes and what you say may be keeping you from experiencing the fullness of God's power in you. Begin today living the joy-filled, abundant life that God promises to all of His children!

*The Hidden Man* Whitaker House

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were

Christians or Muslims of an earlier era.

What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington

claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries.

When this book originally appeared The New Republic hailed it as "remarkable, learned and lively," while The New Yorker noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

"This gentle, gorgeously written book may be one of my favorites ever."

—Jenna Bush Hager (A Today show "Read with Jenna" Book Club Selection!)

This "moving portrait of love and friendship set against a backdrop of social change" (The New York Times Book Review, Editor's Choice) traces two married couples whose lives become

entangled when the husbands become copastors at a famed New York city congregation in the 1960s. Charles and Lily, James and Nan. They meet in Greenwich Village in 1963 when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at

his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James's escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In *The Dearly Beloved*, Cara Wall reminds us of "the power of the novel in its simplest, richest form: bearing intimate witness to human beings grappling with their faith and falling in love," (*Entertainment Weekly*, A-) as we follow these two couples through decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church's congregation, Wall offers a

poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives. The Dearly Beloved is a gorgeous, wise, and provocative novel that is destined to become a classic.

Receiving God's Miracles Kenyon Gospel Publishers

Legendary Bible teacher Dr. E. W. Kenyon unveils the meaning and miracles available to every Christian through a complete understanding of The Blood Covenant. The Bible is composed of two covenants, or agreements. The old covenant, between God and Abraham, was sealed by circumcision. The new covenant, between God and every believer, is sealed with the blood of Jesus Christ. As

you understand your rights as a Christian stemming from this covenant, you will experience an incredible boost to your walk of faith as you lay hold of amazing blessings. The Blood Covenant brings all the power, victory, and miracles of God into the everyday life of the believer.

Two Kinds of Righteousness Simon and Schuster

In this experimental and critically constructive monograph, Pentecostal theologian Chris Green offers an alternative to the standard Evangelical models of Scripture and scriptural hermeneutics. Instead of beginning with the usual epistemological questions about how the biblical texts can be understood as God's Word, Green's work begins with soteriological concerns: how

does God use the Scripture in readying the church to fulfill her calling? And how are we to read the Scripture so that we are drawn along by the Spirit into Christlikeness? In three major parts, Green explores the profound and dynamic interrelatedness of vocation, holiness, and the interpretation of Scripture. Through close readings of biblical texts and searching engagement with the church's spiritual and theological traditions, he develops a model for reading Scripture that makes room for God to use the always difficult and sometimes overwhelming work of making faithful sense of the Scriptures to form the people of God for sanctifying participation in the divine mission for the sake of the world. This Second Edition adds more than 50 pages of new

material, which includes expanded discussions in several areas. Also new are examples of biblical interpretation that illustrate and explain the author's key ideas.

One of the greatest books ever written on the subject, *Dynamics of Faith* is a primer in the philosophy of religion. Paul Tillich, a leading theologian of the twentieth century, explores the idea of faith in all its dimensions, while defining the concept in the process. This graceful and accessible volume contains a new introduction by Marion Pauck, Tillich's biographer.

*There's A Miracle In Your Mouth* Whitaker House

What does Identification mean? It means our complete union with Jesus in His substitutionary sacrifice. The teaching of Identification is the "legal" side of redemption. It unveils to us what God did for us in Christ from the time He went to the cross until He sat down at the right hand of the Father. Christ became one with us in sin so that we might become one with Him in righteousness. He became as we were so that we might be as He is now. In identification, we have one of the richest phases of redemption. There is a twofold oneness: first, His oneness with our sin and humanity on the cross; second, our oneness with Him in His glory on the throne. These

teachings unveil who we are in Christ and how the Father sees us in the Son. The vital aspect of redemption is what the Holy Spirit, through the Word, is doing in us now. When these truths really gain the ascendancy in our lives, they will make us spiritual "supermen." It will be the end of our spiritual weakness and failure. We will no longer struggle for faith, for all things are already ours. We will no longer pray for power, for Christ is in us. We will no longer feel the awful bondage of sin-consciousness, for we are the righteousness of God in Christ.

"Some books provide us with information about the world, but every once in a while a book appears that enables us to

imagine new, more wonderful worlds. [A New Kind of Christianity] is one of these." —Peter Rollins, *Ikon* A New Kind of Christianity is Brian D. McLaren's much anticipated follow-up to his breakthrough work of the emergent-church movement, *A New Kind of Christian*. Named by Time magazine as one of America's top 25 evangelicals, McLaren, along with such contemporaries as N.T. Wright, Jim Wallis, and Rob Bell, is one of the acknowledged leaders of a new generation of Christians who want to update their faith for current times while remaining true to the core message of Jesus. In this controversial and thought-provoking book, McLaren explores the questions that will determine the shape of Christianity for the next 500 years.

The Church of Jesus Christ of Latter-day Saints

"The instant a man knows that he is the righteousness of God in Christ, and knows what that righteousness means, Satan is defeated." --E. W. Kenyon In this classic Christian work, legendary Bible teacher E. W. Kenyon fully describes biblical righteousness. The church has been good at teaching about man's need of righteousness, his weakness and his inability to please God. But far too many believers remain in that shameful state of sin condemnation because the church has neglected to proclaim who we are in Christ, that righteousness is not reserved for someday in heaven--it is available to us now! Unless you know who you are, and what you are in Christ, you cannot live a victorious life; Satan, sin, and

disease will be your masters. Righteousness is the ability to stand in the presence of God without any sense of guilt or inferiority. If you live a life of weakness and defeat, it is because you do not know what you are in Christ. The supreme need of the church at this hour is to know who we are in Christ, to fully comprehend how the Father Himself looks upon us, and to walk in the knowledge that righteousness can be

ours today.
